

Special Market

1425.6SMAE/SMAiE

DESIGN

The Special Market range of rotisseries has been designed with performance, practicality and mobility in mind. Light weight and compact Special Market is the ideal rotisserie for markets and food trucks and offers rapid production together with excellent cooking quality.

Conscious of the costs involved for our clients, the Special Market rotisserie has energy-saving infrared burners, patented by Rotisol, that enable the rapid roasting of a variety of products.

FEATURES

- Energy efficient

Black front panels and stainless steel finish

TECHNICAL DETAILS

Overview of some of the standard features.

	<p>Reinforced heating elements with stainless steel holders to keep them in place and removable stainless steel panels for easy cleaning.</p>		<p>Robust hinges designed for heavy use, with integrated locking in open and closed positions.</p>		<p>Easy and protected access to the compartment of connections and electrical components.</p>
	<p>Independent floating, swinging and adjustable motors to for easy placement and removal of spits.</p>		<p>Anti-scald K-glass reduces external thermal radiation (energy saving). Glass overlaps drip pan to keep splatters inside (anti-slip protection).</p>		<p>Removable inside side-panels doubles protection from grease seeping into motors and other sensitive parts.</p>
