

Star-Clean SC8.720

DESIGN

For many years, «Star-Clean» rotisseries have had a good reputation amongst supermarkets and in the catering industry, meeting their needs in terms of production and robustness thanks to a high output, speed and quality.

Easy to use, modern and elegant, their interior lighting will enhance the presentation of your various cooked products (poultry, large and small pieces of meat, vegetables etc ...).

Thanks to the assisted cleaning system: steam injection for softening grease + Brita softened water and high-pressure shower for stain-free cleaning + grease recovery bags placed in the mobile grease trap for disposal, «Star-Clean» will quickly become your asset in the kitchen.

SC8.720
